Rental Figure Agreed per month £ Deposit required £

Please note all monies must be cleared funds as we will have to wait for cheques to clear which will delay the process and in the case of the holding fee this delay may result in another applicant being accepted for the property.

The holding fee is non refundable, the only exception to this is if you are declined for the property. The holding fee is not part of your dilapidation deposit and therefore will not be deducted from it. If you decline to take the property at any time you will lose your holding fee.

The deposit and rent in advance will be due in full cleared funds on the agreed moving date.

Please note we do not keep change in the office.

If you are claiming housing benefit you will need to complete your form as much as you can and bring it to our offices at least 48 hours before you are moving into the property.

If you are claiming housing benefit, the day you move in you will need to collect your completed form from our offices and take it with your tenancy agreement to the housing benefit offices in Wellington Square, once you have handed the form in and obtained a receipt for our files you will be given a set of keys.

Only one set of keys will be issued for each property.

At the end of your tenancy agreement, you may be given the option to renew your contract, if you do not want to you must let us have in writing a minimum of one months notice if your rent is paid on a monthly basis or 4 weeks notice if your rent is paid on a weekly basis.

PLEASE ENSURE YOU ARE ABLE TO PROVIDE:

- Bank statements (3 Months)
- Pay Slips (3 Months)
- NI Proof (benefit letter/pay slips)
- Photo ID and Bank Card
- References (3x references with contact numbers to verify)
- Credit check to clear (If you are aware, please inform us, as failure to do so will result in your application being rejected. If your default etc has been cleared, we will require proof of this repayment)

On the day you move in you will need to take your meter readings, we would advise you to keep a copy of the readings once you have contacted all the relevant utility suppliers with your details, it is also a good idea to forward a copy to our offices so we may keep them on file.

If you have any queries with anything in the property please let us know in writing within 48 hours, e.g. If you see a mark on the paintwork and we have it on file it will make returning deposits easier on vacation.

If you have any queries, please contact us in advance of moving in, any problems that are only mentioned on your moving day may not be able to be rectified immediately.
